Al Hamraa Girls' School Earns Continuing NCA CASI Accreditation

Jeddah, Saudi Arabia – May 3rd, 2018 – Principal, Mrs. Elham Ezzi announced today that Al Hamraa Girls' School earned continuing accreditation from the North Central Association Commission on Accreditation and School Improvement (NCA CASI), an accreditation division of AdvancED. This action was taken at the AdvancED Accreditation Commission meeting held in Tempe, Arizona on March 28, 2018. Al Hamraa Girls' School has been accredited since 2007.

NCA CASI provides nationally-recognized accreditation, the purpose of which is continuous school improvement focused on increasing student performance. To earn accreditation, schools must meet NCA CASI's high standards, be evaluated by a team of professionals from outside the school and implement a continuous process of school improvement. Accreditation is granted on a five-year term,

“Accreditation demonstrates to our students, parents and community that we are focused on raising student achievement, providing a safe and enriching learning environment, and maintaining an efficient and effective operation staffed by highly qualified educators,” stated Principal Mrs. Elham Ezzi.

NCA CASI accreditation is recognized across state lines, which not only eases the transfer process as students move from accredited school to accredited school but also assures parents that the school is meeting nationally accepted standards for quality and successful professional practice.

Dr. Mark Elgart, President/CEO of AdvancED, the parent organization of NCA CASI, stated, “NCA CASI Accreditation is a rigorous process that focuses the entire school on the primary goal of creating lifelong learners. Al Hamraa Girls' School is to be commended for engaging in this process and demonstrating a commitment to continuous improvement.”
